

Vacancy for Board of Trustees Member Imaginal Foundation

Imaginal Foundation promotes storytelling and theater productions, as well as other artistic expressions that contribute to a broadening of perspectives. We do this by:

- Executing or supporting storytelling and theater productions.
- Executing, supporting, and facilitating other artistic expressions.
- Fundraising.
- Engaging in dialogue with the stakeholders of the foundation.

We are seeking to complement our Board of Trustees (BoT), preferably with someone experienced in and/or affinity for the arts and culture sector. In addition to overseeing the director, the BoT also serves as a sounding board for the director. The Board provides requested and unsolicited advice, reflects on the strategy, and supports with strategic issues. Additionally, the Board reviews and approves important proposals presented by the director.

Imaginal Foundation dreams of a society where diverse opinions and perspectives do not lead to division and fear but instead foster curiosity, exchange, and connection. It envisions a world where the understanding prevails that each person experiences the world around us slightly differently and that we can all grow by looking at the world through the eyes of others. In this vision, storytellers, poets, and other (stage) artists play a crucial role, reflecting societal developments and presenting us with ever-new questions and perspectives.

Profile

Practical

- Time commitment: an average of 2 hours per month.
- BoT meets 2 to 4 times a year.
